

To whom it may concern:

Dear Sirs,

I am Wan Shahriah Binti Wan Radzi, Assistant Vice President of the Company Secretary Department at Permodalan Nasional Berhad ("PNB"), where I worked with Zulfareez Firdaus bin Azmi ("Zulfareez") as his supervisor. I've had the opportunity to work with Zulfareez for the past 6 months and have been consistently impressed with his diligence, efficiency, and ability to get things done.

During his internship at our department, Zulfareez has been a self-starter and a productive contributor to teams' efforts. In addition to having a high degree of integrity and a cheerful personality, he is one of those rare individuals who can both follow instructions and take initiative, as appropriate. He is punctual with time management, and his competencies go beyond the skills for which he was originally hired.

As an internship student in our department, he has performed much technological and administrative work, including company secretarial tasks. For example, he currently manages to develop the iPad Management System ("IMS") to store the data of iPads loaned to the Board of Directors, senior management, and staff (the "Users") of our department and to track the Users of the iPad to ensure all iPads are returned to the Company Secretary Department following the resignation or retirement of the Users.

I believe that Zulfareez would be an excellent addition to your company. I've been consistently impressed with his organisational skills and grace under pressure. He's also a quick learner who picks up new technology with great speed. I strongly recommend Zulfareez for the position that he applied at your company. He's organised, detail-oriented, effective, and committed to getting the job done. He would make an excellent addition to your company.

Please feel free to contact me at 012 - 324 2060 if you have any questions.

Thank you.

Regards,

---
